

Youth Groups

Organizing a canoe trips for a large group can be a big task. Let us assist you. Each season we outfit large groups from churches, scout troops and schools. Providing exceptional service to youth groups is a trademark of Duane's Canoe Outfitters, we have been doing it for a very long time. We have return customers each year that first visited the BWCAW as part of a youth group outfitted by Duane's. Often, they are bringing their families to experience the wilderness. Our rates for youth groups are extremely attractive, we even offer a leader allowance. We are also in very close proximity to Birch Lake, just outside of the BWCAW. Large groups often choose to use Forest Service Campsites on this wilderness type lake where permits and user fees are not necessary. Call today to begin planning your wilderness adventure!
